LAKVIN THEWNUJA

SOFTWARE ENGINEER INTERNSHIP

+94 74 388 9605 thewnujalakvin@gmail.com linkedin.com/in/lakvin-thewnuja Colombo – Sri Lanka

PROFILE

I am a highly motivated Computer Science undergraduate with a strong foundation in software development, web technologies and data-driven applications who is currently studying Computer Science at the Informatics Institute of Technology, Sri Lanka, affiliated with the University of Westminster, UK. Enthusiastic about working alongside industry professionals to gain hands on experience, practical training and deeper technical exposure. Driven by continuous self-improvement, adaptability and a commitment to developing both technical and professional skills to grow consistently.

TECHNICAL SKILLS

Python	**Java**	**JavaScript**	**HTML**	**CSS**
NodeJS	**ExpressJS**	**React Native**	**React**	**MySQL**

PROJECTS

MindWave – Software Development Group Project

09/2025 -Present

MindWave – AI powered Mental Health Support Application

- Developed a digital mental health platform focused on providing anonymous, accessible, and culturally relevant support for Sri Lankan students. The application integrates AI/NLP-based conversational support, prioritizes user privacy and explores scalable backend solutions beyond Firebase to ensure reliability and performance.

Marketing Website

09-2025 – Present

MindWave – Marketing Website

- https://mindwave-app.com/

- Designed and developed a responsive marketing website to showcase the MindWave application, highlighting its features, user benefits, and overall value proposition.
- Built using modern web technologies to deliver a clean UI and smooth user experience.

Portfolio Website

06-2025 – Present

Lakvin Thewnuja – Portfolio Website

- Lakvin Thewnuja | Portfolio

- https://github.com/Lakvin7/Lakvin-Thewnuja-Portfolio.git

- Developed a personal portfolio website to showcase projects, technical skills and achievements.
- Implemented responsive layouts and clean UI using modern web technologies.
- Used as a professional online presence for internships and career opportunities.

EDUCATION

Bachelor of Computer Science **09/2024 – Present**
